overhanging brambles making it much more accessible. A village litter pick should be organised very soon.

1595. Draft of Budget for FY2025/26 & Precept Discussion

A draft budget was presented by Cllr Wright which indicated that our spending this year was in line with the precept. The long-standing provision for extending the burial ground, plus election costs looking ahead to 2025 will be the main features of the 2025/26 budget. A possible increase of 3% in the Precept for 2025/26 was discussed with a view to making a final decision at the January meeting.

Cllr Dove explained the estimated costings for fencing and grass seeding the extended burial ground. Following consultation with the landowner regarding the boundary and the tenant running the riding stables regarding the equipment currently stored on the land, it is hoped that the area can be fenced in Spring 2025, seeded by September and opened by March 2026.

The Chair reported that he is looking into the apparent cost increase of the new email system and web hosting to ensure that we have accurate figures in the budget for 2025/26. Clerk's afternote – the email supplier, Glory Hall Design, has confirmed that the original quote remains valid and
